

Virtual Training Acknowledgment

Public client form · Houston, Texas (HTX) and virtual / remote sessions

Mode

Virtual/online training is a delivery mode across package tiers. Technology (video, messaging, shared film) supports remote coaching.

Environment

Participant is responsible for a safe training space, appropriate equipment, and stable internet. Provider cannot control Participant's physical environment.

Risk

Same physical risks as in-person training apply. Participant will stop if unsafe conditions arise.

Recording

Sessions may be recorded for coaching quality. Marketing use follows the Media Release if signed.

Tech failure

Brief connectivity issues may occur; sessions may be rescheduled in good faith when technology fails on either side.
